33.) Title	Enhancing Youth Capacity in Conflict Affected Areas		
Start Date (mm/yy)	August 2006	Completion Date :	March 2007
Funding Source(s)	UNICEF	Budget:	Php1,703,200.00
Project Location(s)	Brgy. Mudseng and Nabalawag of Midsayap, Cotabato and Brgy. Muti and Kalumamis of Guindulungan, Maguindanao		
Brief Description of the Project/Program:			
<p>Youth sector is considered most vulnerable entity but plays an important role toward community development. Oftentimes, this sector is easily involved in the different community unfavorable activities and develops untoward leadership. The main intention of this project is to encourage youth participation in community affairs through youth organizing. It also aims to nurture youth in helping community promotion in the real essence of justice and peace.</p> <p>Specifically, it aims to: Harness the collective strength of the young people to influence change in their communities; facilitate community youth affairs that lead to solicit recognition among and between community members and entities, and enhance and nurture the positive outlook of the youth and capacitate them through intensive training and seminar activities.</p> <p>The target beneficiaries of the project is both currently studying (in-of-school youth) and stopped schooling (out-of-school youth) provided that they belong to age bracket 13 to 24 years old in the conflict affected areas.</p>			
34.) Title	Renovation of School Building		
Start Date (mm/yy)	March 2008	Completion Date :	May 2006
Funding Source(s)	Save the Children Federation/USAID	Budget:	Php460,501.35
Project Location(s)	Brgy. Nabalawag, Midsayap, Cotabato		
Brief Description of the Project/Program:			
<p>The project was a renovation of two-room school building in Nabalawag Elementary School. The school building lessened the too much number of students in one room that caused inconvenience of their learning process. It also serves evacuees families in time of displacements due to war since the school is oftentimes a receiver of evacuees. The project serves as learning facility for the 260 students of Nabalawag Elementary School in Midsayap.</p>			
35.) Title	Integrated Peace and Development Interventions within Lake Lanao and its Watershed Areas

This is by providing services in the areas of water and sanitation, provision of non-food commodities, provision of livelihoods support and capacitating the impact areas.			
42.) Title	Case Studies on Celebrated Cases of Rido in Maguindanao and North Cotabato		
Start Date (mm/yy)	August 1, 2004	Completion Date :	March 1, 2006
Funding Source(s)	The Asia Foundation/USAID	Budget:	Php 1,688,635.00
Project Location(s)	Pikit, Aleosan, Midsayap for North Cotabato, Datu Odin Sinsuat, Kabuntalan of Maguindanao and Cotabato City		
Brief Description of the Project/Program:			

This study is focused on three case studies of conflict in Mindanao particularly in the provinces of Maguindanao and North Cotabato, which at one point or the other have threatened the peace and tranquility of the local communities. The study aimed to produce an in-depth understanding of these three controversial cases of endemic clan conflict and to identify a concrete basis for conflict resolution.

43.) Title	Multi-Purpose Hall		
Start Date (mm/yy)	July 16, 2004	Completion Date :	September 16, 2004
Funding Source(s)	Save The Children Federation/USAID	Budget:	Php 325,500.00
Project Location(s)	Tambunan II, Guindulungan, Maguindanao		

Brief Description of the Project/Program:

The project aimed to establish Multi-Purpose Hall as a ready evacuation center facility for the emergency situation in Tambunan II, Guindulungan, Maguindanao and other nearby barangays. In times of peace, the building is used by the community as training center and gathering place. The project benefited 80 IDPs coming from different barangays of Guindulungan.

44.) Title	Mindanao Vulnerability Observatory (MVO): A Vulnerability Study of Five Ethnic Communities in Maguindanao and Lanao del Sur.		
Start Date (mm/yy)	April 2003	Completion Date :	January, 2005
Funding Source(s)	ECHO-ACH	Budget:	Php 122,719.00
Project Location(s)	Maguindanao and Lanao del Sur		

Brief Description of the Project/Program:

The project/study was conducted in 51 barangays distributed in 20 municipalities of Maguindanao and Lanao del Sur provinces. Both provinces form the bigger area of Autonomous Region in Muslim Mindanao (ARMM). Five ethnic groups were covered in the study, as well as the specific situation of the Internally Displaced Peoples (IDPs) and of those families that were relocated out of their barangays of origin. Moreover, the study looked into the agro-ecological distribution of the different communities, and takes into account the historical developments of these communities in order to understand their present characteristics and structure. UNYPAD is one of those partners of Accion Contra el Hambre (ACH) in implementing this Mindanao-wide project.
